

Bruce Bond

A Brief Guide to Metaphysics

I see in time or not at all.
If all things die,

the invisible makes me
look

a little harder.
It says:

a dead boy who talks is another word
for reading,

a dead boy who listens is the word
you are about

to write.
If you hold the page to a strong light,

it tries to say what is
on the other

side. It says:
